#GCREG

DECEMBER 2019

Government of Canada / Gouvernement du Canada

Canada

*CFR was established by the Privy Council in 2006

The Community of Federal Regulators is a partnership of **35** regulatory organizations working together to:

Support professional development and talent management of regulatory employees

Explore and expand the use of innovative regulatory approaches

Exchange expertise and collaborate on regulatory challenges

Community of Federal Regulators three strategic areas as outlined in its 2017-2020 Business Plan:

Talent Management

Targeted recruitment and strengthen regulatory capacity across the system

Collaboration

Connect organizations to foster collaboration and share regulatory expertise

Experimentation

Increase community understanding of innovative regulatory concepts and enable their applicaiton

CFR Governance Structure

DM CHAMPION

Dr. Siddika Mithani
President of the Canadian Food Inspection Agency

ADM CO-CHAMPION

Tina Green
Assistant Secretary, Regulatory Affairs Secretariat, Treasury Board Secretariat

ADM CO-CHAMPION

Stefania Trombetti
