Agriculture and Agri-Food Canada is committed to taking positive measures toward enhancing the vitality of official language minority communities* (OLMCs), by supporting and assisting their development, and promoting the full recognition and use of both English and French in Canadian society as per Part VII (section 41) of the [Official Languages Act \(OLA\)](#).

*OLMCs are defined as Francophone communities outside of Quebec and Anglophone communities in Quebec.

This form, in conjunction with the [AAFC Guide to Official Languages in Program Delivery](#) will help program officers to determine and document whether the related project can incorporate Official Languages (OL) positive measures to encourage the vitality of OLMCs and the promotion of English and French in Canadian society. Once completed, this form will be saved as part of the project file.
