# Update on the Language Training Framework

Presentation to the Best Practices Forum on Official Languages

February 9, 2024

# Objectives

---

1

Provide an overview of the consultations on the language training framework

2

Provide an overview of the language training deliverables

3

Discussion and next steps

# Consultations 2022-2023

## List of stakeholders that were consulted

- Interdepartmental Working Group on Second Language Learning
- Regional committees and interdepartmental working groups on official languages
- Committee of Assistant Deputy Ministers on Official Languages
- National Joint Council: committee on official languages and employment equity
- Departmental and Crown Corporation Advisory Committees on Official Languages
- Council of the Network of Official Languages Champions
- Designated Senior Officials for Employment Equity, Diversity & Inclusion Community of Practice Presentation Confirmation
- Committee of representatives of equity-seeking groups
- Human Resources Council
- HR Community Engagement Hub Meeting
- National Managers' Community
- Chief Human Resources Officer External Advisory Forum

## Issues Raised

- **Quality and accessibility**
  - No governance or leadership in place to ensure quality and effectiveness
  - Lack of expertise to support the development of standing offers
  - Lack of clarity on responsibilities between employees and employers.
  - Lack of centralized data on actual quality and costs.
- **Maintenance and use of skills in the second language**
  - The culture in place does not promote a work environment conducive to the use and maintenance of second language skills, which leads to linguistic insecurity and a cycle of training, testing and re-testing.
- **Meeting diverse needs**
  - Standardised delivery of language training does not meet the diverse needs of employees.
  - Bilingualism is seen as an obstacle to career progression.
- **Qualification standards**
  - The qualification standards have not been revised since their publication in 1984.

# Language Training Framework - Deliverables

 An inclusive language training framework that is effective, flexible, accessible, learner-driven and considers the needs of equity-seeking groups, to support a culture that promotes bilingualism in the workplace as well as ongoing learning and the regular use of second official language skills.

## Available now

### CSPS Coaching Circles and Leadership workshops on Linguistic Security

Facilitating the Transition from Linguistic Insecurity to Linguistic Security (TRN403)

Overcoming linguistic insecurity with resilience (TRN449)

### Guide for managers – Supporting your employees’ second official language learning Journey

Includes best practices to support managers in fostering a workplace conducive to the use and learning of both OL.

### Second Official Language Learning Journey – A Shared responsibility

Includes free basic self-study tools for learners of all levels (beginner, intermediate, advance).

### Guide for institutions – Planning access to second official language learning

Provides guidance to institutions and managers to help them plan and prioritize access to language training

## Four deliverables in 2024

### Guidelines on second official language training

Supports federal institutions in providing equitable access to inclusive and standardized language training approaches.

### Handbook on second official language training

Includes best practices to support institutions and managers in fostering a workplace conducive to the use and learning of both OL.

### Playbook

Provides various tools and resources to support second language learning and retention in a variety of organizational contexts. This will include the *Risk-taking Passport to Linguistic Security*

### Qualification standards in relation to official languages

Undergoing focused review to reduce diversity and inclusion barriers or bias without making substantive changes to the standards.

# Guidelines on Second Official Language Training - Highlights

## Sections included in the Guidelines

1. Establishing a culture of bilingualism

2. Selecting the type of language training that best meets employees needs

3. Supporting the duty to accommodation in second official language training

4. Planning access to second official language training

5. Collecting and tracking language training data

# Guidelines on Second Official Language Training - Highlights

## Establishing a culture of bilingualism

### **Maintaining skills**

Help employee maintain their language skills

### **Shared responsibility**

Second language learning is a shared responsibility

### **Early discussion**

Discuss second language skills at the beginning of an employee's career

### **Agreement**

Agreement for language training in which the employee and the manager agree to fulfill their respective responsibilities

# Handbook on Second Official Language Training (SOLT) - Highlights

## 1. Defining the role and responsibilities of the person responsible for SOLT in your institution

- Represent their institution at community of practice meetings.
- Share the information presented at community of practice meetings within their institution to ensure that the TBS guidelines are properly implemented.

## 2. Fostering a culture of bilingualism

A shared responsibility between the employer and the employee:

- How management can support their employees on training and promote linguistic security;
- How employees can be fully engaged in learning and using their 2<sup>nd</sup> OL.

## 3. Selecting the types of SOLT that best meet employees' needs

- When and how to use formal and informal SOLT approaches;
- Examples of each type of SOLT approach.

## 4. Ensuring an inclusive SOLT approach

Addressing issues that are specific to employment equity groups:

- How to ensure equitable access;
- How to create a safe learning space for all employees;
- How to facilitate accommodation requests.

## 5. Collecting and tracking SOLT data

Obtaining meaningful data about learners and their behaviours to better meet their needs.

- Enrollment rates;
- Attendance;
- Employment equity representation;
- Spending.

## 6. Sharing best practices on SOLT initiatives

Some institutions have shared best practices when it comes to an equitable and inclusive offering of language training.

- Equitable access to language training;
- Language coaching;
- Scholarship programs.

# GCwiki – Language Training Hub – new January 2024

The screenshot shows the GCwiki website interface. At the top left, there is the Government of Canada logo in both English and French. Below this is a purple arrow-shaped banner with the text "GCwiki". To the left of the main content area is a sidebar with the GCwiki logo (a purple circle with white lines) and the text "GCwiki Connecting people and ideas". The sidebar contains a list of navigation links: Main Page, Browse categories, Random page, Help, Actions/Tools, Special pages, Tools, Related changes, Printable version, Permanent link, Print/export, Download as PDF, and Printable version. At the bottom of the sidebar are three icons with labels: GCaccount, GCcollab, and GCmessage. The main content area has a header with "Page" and "Discussion" tabs. Below this is the title "Language Training Hub" and a large banner image featuring stylized autumn leaves in orange, teal, and dark blue. At the bottom of the page is a yellow navigation bar with links: Home, Learning Paths, Language Security, Tools, and FAQ.
