Event Description

This event is our kickoff to a series of enrichment sessions which follow along with the themes of our Lifting as you Lead Mentoring Circles (LLMC) program. This session features Emeka Nwarulor who will discuss how you can build your confidence using these seven pillars: awareness; mindset; environment; knowledge; ownership; visualization; and momentum. Once you have learned about these pillars and how they can help build your confidence, Emeka will talk about how you can build a thriving career using vision, voice, and visibility. We look forward to you joining us as we learn more about the topics of confidence and career building!

About LLMC

As a leader in our community, the Diversity and Inclusion team is calling on you to join the Lifting as you Lead Mentoring Circles (LLMC) program. The LLMC program is an initiative grounded in the **2020/2021 Deputy Minister Commitments on Diversity and Inclusion** and strives to build on the [Clerk's Call to Action](#) to better support leadership development toward addressing anti-racism, equity, and inclusion in the federal public service. Through this lens, the LLMC program provides you with an innovative space and opportunity to actively partake in making your workplace inclusive.

This ten-week program, consisting of five Circle sessions and five optional enrichment sessions, provides a platform for employees to network with colleagues and leadership across the federal public service while developing interpersonal skills, learning about key leadership and cultural competencies, and finding career-building opportunities.

Meet Our Amazing Panelist

Emeka Nwarulor, Human Resource Professional, Personal Branding Strategist, Author, Speaker
