

PSPC Client Support for Workplace Modernization

With the recent, rapid and significant change to the way we work, and its direct impact on workplace requirements, PSPC Real Property Services are equipped to continue providing its usual RP services to our clients, as well as newer advisory services to support client organizations in both *establishing* and *managing* the multitude of changes that go along with modernizing the way we work.

WHO can help with WHAT?

SWAG

Strategic Workplace Advisory Group

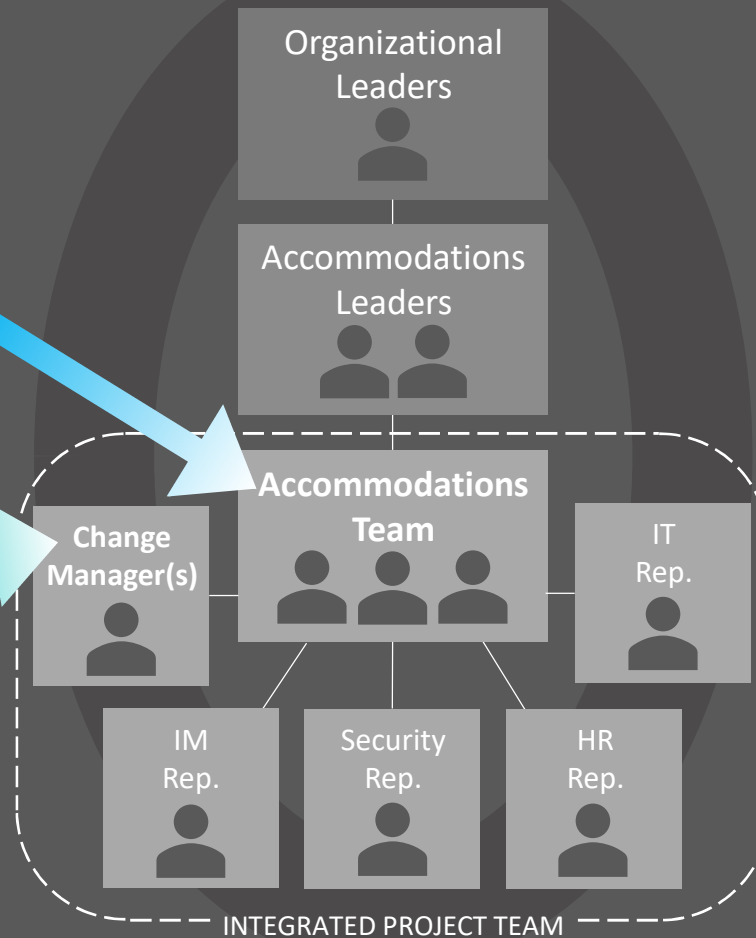

helps **clients' accommodations teams** and their leaders understand and decide on **WHAT** will be changing with their new workplace, as well as how it will function and be used for the future of work

CM

Workplace Change Management Expertise

helps **clients' change managers** to develop a change management program that will support **employees** to understand **WHY** and **HOW** their workplace will be changing, to ensure a positive experience in the modernized workplace

Example Client Organization

SWAG/CM CHEAT SHEET
