

The ESDC Workplace initiative will transform the way we work. It will help us achieve a healthy work-life balance by increasing our productivity and supporting our well-being.

- **Flexible**
A variety of different spaces offered to best suit our tasks.
- **Efficient**
Increase our productivity by using advanced technology and work processes.
- **Collaborative**
Easily meet and collaborate with our colleagues using a variety of work environments and technologies.
- **Digital**
Use mobile technology that supports collaboration and meets our needs.
- **Healthy**
Adopt a healthy work style that supports productivity and well-being.
- **Inclusive**
Be a part of a welcoming and inclusive workplace.
- **Green**
Enjoy efficient facilities that have sustainable furniture and other materials, and reduce our ecological footprint while some of us work from home.
