## Master Your New Work Environment

This training is a three-part ESDC Workplace Initiative workshop series available through Saba that will be used to support employees. You can register for this training on Saba by searching **[INSERT TITLE OF TRAINING GROUPING]**.

---

### FIRST SESSION: DISCOVER

This information session is a self-guided training that introduces ESDC employees to their new workplace.

---

### SECOND SESSION: DEVELOP

This facilitator-led session includes a deep dive into what to expect in an ESDC Workplace. You'll learn about the ESDC Workplace and how to effectively work in the modernized office.

---

### THIRD SESSION: DISCUSS

In this engagement session, ESDC employees partake in discussions and surveys and share their experience of working in an ESDC Workplace.
