Master Your New Work Environment

This training is a three-part ESDC Workplace Initiative workshop series available through Saba that will be used to support employees. You can register for this training on Saba by searching for each of the titles below.

ESDC WORKPLACE WORKSHOP 1: DISCOVER

This information session is a self-guided training that introduces ESDC employees to their new workplace.

ESDC WORKPLACE WORKSHOP 2: DEVELOP

This facilitator-led session includes a deep dive into what to expect in an ESDC Workplace. You'll learn about the ESDC Workplace and how to effectively work in the modernized office.

ESDC WORKPLACE WORKSHOP 3: DISCUSS

In this engagement session, ESDC employees partake in discussions and surveys and share their experience of working in an ESDC Workplace.
