

## ESDC Workplace & You – Available Supports

### SUPPORT FOR EMPLOYEES

- The ESDC Workplace & You platform, that you are exploring now:
  - Virtual walkthrough
  - Detailed information kiosks
  - Informational videos including a Day-in-the-life of Your ESDC Workplace
  - News and updates about ongoing projects
- Employee training sessions:
  - A three part workshop series available on Saba to provide employees with knowledge and tools to successfully transition to this new way of working.
    - First Session – Discover
    - Second Session – Develop
    - Third Session – Discuss
- Onsite Change Leaders – talk to your manager about how to contact your local Change Leader.

### SUPPORT FOR CHANGE TEAMS

- Direct support from the CFOB National Change Management Team
  - Change management support and coaching
    - Workshops and training sessions will be offered for Change Sponsors and the Change Leaders to guide them through this initiative.

- Assistance with identifying and working with Change Leaders, Change Management Committees, and, in the case of larger projects, a Change Agent Network comprised of business line leaders.
- Change Management roadmap, tools and templates:
  - Communications and engagement templates and tools
  - Education on change management best practices
  - Project stories from completed sites
