VISIT OUR LANGUAGE STATISTICS PORTAL FOR THE MOST RECENT DATA, ANALYSES AND REFERENCES ON LANGUAGES IN CANADA

The screenshot shows the Language Statistics Portal website. At the top, there is a navigation menu with categories: Subjects, Data, Analysis, Reference, Geography, Census, Surveys and statistical programs, About StatCan, and Canada.ca. Below the menu is a search bar and a 'Franglais' button. The main heading reads 'LANGUAGE STATISTICS'. Underneath, it says 'The most recent data, analyses and references on languages in Canada'. There are social media icons for Facebook, Instagram, LinkedIn, YouTube, and Twitter. A 'Sign up to My StatCan' button is also present. The main content area is divided into three sections: 'Find data on' with icons for 'Knowledge of languages', 'Language groups', 'Use of languages', and 'Other content related to Languages'; 'Features' with a featured infographic titled 'DEFINING OFFICIAL LANGUAGE MINORITY BUSINESSES'; and 'Key indicators' with a dropdown menu set to 'Canada' and two indicators: 'Rate of English-French bilingualism (2021)' at 18.0% and 'Percentage of the population with English as first official language spoken (2021)' at 75.5%.

The **PORTAL** also gives you access to maps, data visualization tools, tables, videos and more
