

The ESDC Workplace initiative will transform the way we work. It will help us to have a healthy work style, be productive, and support our well-being. We deserve a workplace that promotes work–life balance, and ESDC Workplace will help you achieve it.

- **Flexible**
 We will have a variety of different spaces from which to choose to best suit our tasks.
- **Efficient**
 Increase our productivity by using better technology and work processes.
- **Collaborative**
 Easily meet and collaborate with our colleagues using a variety of work environments and technologies.
- **Digital**
 Use mobile technology that supports collaboration and meets our expectations.
- **Healthy**
 Embrace a healthy work style that supports productivity and well-being.
- **Inclusive**
 Immerse ourselves in welcoming and inclusive workspace designs that meet the needs of a diverse workforce.
- **Green**
 Enjoy efficient facilities that have sustainable furniture and other materials, and produce less waste, while some of us work from home.
