

SWAG

Strategic Workplace Advisory Group

2023 TEAM CHARTER

VISION

To demystify and advance federal workplace modernization.

OBJECTIVES

To remain at the forefront of workplace modernization trends as they relate to real property, people and organizational culture.

To engage with client departments through internal partners, to ensure their global understanding workplace modernization considerations and strategies.

To promote alignment to PSPC RPS corporate priorities by enabling client departments to define their own workplace modernization programs & strategies.

TEAM VALUES

OPERATIONS

Continuing with the flexible, pre-pandemic work model will best support employee well-being, accessibility and inclusion, while promoting efficiency and productivity. Scheduled in-person team time will be limited to purposeful interactions such as brainstorming sessions, team building activities and certain team meetings and bilats. All other in-office time is at the discretion of each team member, within the constraints of the [TBS common hybrid work model](#), and [PSPC work locations](#).

MISSION

To provide holistic, strategic and expert guidance to client departments in support of their workplace modernization programs for the future of work.
