GC DATA COMMUNITY

Supporting the Government of Canada's (GC) Data Community

CONTEXT

Global data is exploding as are **new analytical techniques**

Data is dynamic and underpins everything in the Government of Canada from Service Delivery to Program Development to Policy and Research

There is great potential to **create public value** while upholding obligations to Canadians

An opportunity exists to **support** active interest among data practitioners in government

Our Starting Point →

PRINCIPLES

Open & Collaborative
Partnerships + support departmental data strategies + Transparency

Horizontal
Collective good + sharing + community-driven

Forward Looking
Innovative + Emerging Data Landscape

Stewardship
Responsible Governance + Information Management + Data Accountability

What we stand for →

OUTCOMES

Annual **Data Community Conference**

Provide **Learning and Skills Development** Opportunities

Advocate and Inform Ethical Data **Standards and Practices**

Support Data Community and existing Working Groups

**What we expect to achieve**
