ESDC Workplace & You - What are your colleagues saying?

“[The modernized offices are] bright, comfortable, and welcoming.”

“I can tell you from personal experience that YES there are kinks that need to be worked out but in the end, it's an AWESOME workplace once everyone gets used to it [...] trust me it does all work out in the wash”.

-Employee in the Atlantic region

“I enjoy the flexibility and change in the new work environment from day to day.”

-Employee in the Atlantic region

“The modernized office space encourages interaction and collaboration with colleagues”

“It is a nice modern workspace, fully wi-fi enabled, and easy to sit down and start working. The collaborative spaces are fantastic.”
